IMPORTANT NOTES FOR ALL BIDDERS

We would expect that the wise buyer will submit numerous bids, all at levels commensurate with his idea of the value of each lot. On items that he really wants badly, the serious bidder will bid well above the top estimate, recognizing that his bid will be reduced to 10% above the second highest bid, but also realizing that he may be in competition with other seriously interested bidders.

In those sections which show a price range for an estimate, the low figure represents a wholesale evaluation, while the high figure indicates what a serious specialist would gladly pay for the lot. Bids less than the lower of the two figures will most likely be unsuccessful; bids above the higher figure will most likely be successful and will most likely be reduced as outlined above (see also paragraph 2 of TERMS OF SALE).

In those sections where only one estimate is given, in some instances with a plus mark, these estimates represent what we believe to be a fair wholesale price and/or the reserve. In many cases these single estimates represent our own cost value. In nearly all cases, bids below these estimates will not be accepted. Generally speaking, our estimates should serve as useful guides, but all bidders should use their own knowledge and experience as the final tools to determine their bids.

We make the following suggestions to all bidders:

- (1) Bid what you wish on each item, but keep the estimate and reserve prices in mind lest you waste your opportunity to acquire an item you particularly desire.
- (2) Bid the maximum bid you would pay for the lot, recognizing that if your bid is high, relative to other bids, your bid will be reduced in accordance with paragraph 2 of TERMS OF SALE.

At the conclusion of the listing of all lots we have observed that many of our estimates in the paper money section as well as the gold section, may be considered low and are expected to realize prices at above our estimates. We make this observation based on the increased interest in paper money and the ever-increasing interest in gold. So also, all rare numismatic items are finally being recognized as such and are finding their ranks in value.

Requests for additional information, confirmation of the grade, date, mint mark, etc., of any particular items, or any similar individual questions are welcome and will be answered as promptly as possible.

An asterisk (*) before the lot number indicates that the actual lot offered for sale is photographed and can be found in the PLATE SECTION.

TERMS OF SALE

1. This is a mail bid sale. All mail bids must be received at our place of business not later than 6:00 p.m. Central Daylight Time, Aug. 10th, 1979. The highest mail bid for each lot will buy it. The highest mail bid on each lot may be reduced to just above the second highest mail bid (see item 2). On this basis it should be obvious that mail bidders should bid generously, if they are desirous of obtaining any particular lot or lots.

2. Terms of reduction: (a) No reduction will apply to bids of \$10.00 or less. (b) On bids of \$10.01 and up, the highest bid will be reduced to 10% over the second highest bid. For example, if your bid on Lot #100 is \$70.00 and the second highest bid is \$50.00, you will obtain the lot for \$55.00 (or \$50.00 + 10%). However, if your bid is \$70.00 and the second highest bid is \$65.00 then no reduction will apply as 10% over the second highest bid will be \$71.50. When reductions apply, amounts will be rounded off to the nearest half dollar.

3. An estimate is given for most lots. These estimates simply represent the owner's idea of the value of the item or our professional opinion as to what each lot is worth. THEY ARE ONLY ESTIMATES AND YOU CAN BID HIGHER OR LOWER AT YOUR DISCRETION. To further clarify this, please read the "Notes to Bidders". We recommend that if you seriously want a lot, you should bid close to or over the estimate given herein.

4. All bids are to be made by LOT NUMBER as listed in this catalog. (Please make sure that your bids are legible.) Bids should be made only in United States Funds. In case of tie bids, preference will be given to the bid with the earliest postmark.

5. Lots will be sent on open account only to customers who have established credit with us. New accounts must furnish satisfactory credit references and/or include a 20% deposit. New accounts requesting shipment to a post office box or to general delivery must also furnish their home or business address. Bidders who have not established credit with us will be invoiced for their successful bids; lots will be sent upon receipt of payment.

6. All successful bids must be honored in U. S. funds immediately upon receipt of the lots or the invoice. This is absolutely necessary so that consignors can be reimbursed. Special arrangements for payment are possible if the amount involved warrants such treatment. If this is necessary, please request it BEFORE the auction, not after.

7. BankAmericard, Mastercharge, or American Express may be used to pay for successful bids provided the purchaser agrees to pay the service charge billed to us by our bank on such transactions (3% on BankAmericard, 4% on Mastercharge, and 5% on American Express. Foreign bidders should make payment by International Bank or Postal Money Orders or drafts payable in New York. Bidders making payment by bank drafts drawn on a foreign bank, please add U.S.\$3.00 as this is the minimum bank service charge charged to our account.

8. Postage and insurance or registration fees will be added to all invoices. Foreign bidders will be charged 1% of the total value to partially cover insurance fees, and our insurer will be responsible for any losses. Foreign bidders should advise if special shipping instructions are necessary.

9. 5% sales tax will be added to all lots mailed to Texas addresses, except dealers.

10. Auction sales ARE NOT approval sales. Upon submitting bids you agree to abide by the "Terms of Sale". Experts have described all lots; any errors made by them will be gladly corrected. Likewise, you are responsible for any errors you make. Returns can only be made with our written approval; request for such must be made within ten (10) days of dispatch of lots by us.

11. Title to all lots will remain with the cataloguer until payment in full is received. All items are guaranteed to be authentic (unless otherwise indicated) and to be as listed. Furthermore, the cataloguer reserves the right to accept or reject any or all bids at his discretion.

12. All lots in this auction will be available for inspection by appointment only prior to Aug. 3rd, 1979.

1. Este es un remate por correo. Todas las apuestas (o pujas) tendrán que ser recibidas en nuestro lugar de negocio no después de las 6:00 p.m. hora de San Antonio, Texas, del día 10 de agosto 1979. La apuesta más alta para cada lote es la que comprará dicho lote. La apuesta más alta podrá ser reducida hasta el punto de ser un poco más que la segunda apuesta más alta (ver artículo 2). Sobre estas bases, es obvio que los compradores deberán hacer apuestas generosas, si están deseosos de obtener cualquiera de los lotes en particular.

2. Términos de reducción: (a) No se aplicará ninguna reducción en apuestas de \$10.00 o menos. (b) Sobre las apuestas de \$10.01 en adelante, la más alta será reducida hasta el 10% sobre la segunda apuesta más alta. Por ejemplo, si su apuesta en el lote #100 es de \$70.00 y la segunda más alta es de \$50.00, usted obtendrá el lote por \$55.00 (o sea \$50.00 + 10%). Sin embargo, si su apuesta es de \$70.00 y la segunda más alta es de \$65.00, entonces ninguna reducción será aplicada, ya que si añadimos el 10% a la segunda apuesta más alta, el lote llegaría a costar \$71.50. Cuando las reducciones sean aplicables, la cantidad será redondeada al próximo medio dólar.

3. Se ha estimado un precio para la mayoría de los lotes. Estos precios estimados simplemente representan la idea que el dueño tiene sobre el valor del artículo, o nuestra opinión profesional de valor del lote. ACLARAMOS QUE SON SOLAMENTE PRECIOS ESTIMADOS Y QUE USTED PUEDE APOSTAR MAS ALTO O MAS BAJO SEGUN SU PROPIO CRITERIO. Para aclarar este punto, por favor lea los precedentes artículos. Recomendamos que si usted está seriamente interesado en un lote, lo mejor será que apueste cerca o más del precio estimado en este catálogo.

4. Todas las apuestas indicarán el número del lote como aparecen en este catálogo. (Por favor, cerciôrese que sus apuestas sean legibles.) Apuestas serán hechas sólo en dólares Estado Unidenses. En caso de empate en una apuesta, preferencia se le dará a la apuesta que es recibida primero.

5. Los lotes serán enviados a crédito solamente a clientes que tienen crédito establecido con nosotros. Nuevas cuentas tendrán que proveer referencias de crédito satisfactorias y preferible 20% de depôsito. Cuentas nuevas que soliciten los envíos a Casillas Postales, deberán proveer también sus direcciones domiciliarias o de su negocio. A los compradores que no han establecido crédito con nosotros se les enviará la factura correspondiente por lotes que han ganado y se les enviará la mercadería al recibir el pago.

6. Todas las apuestas ganadoras tendrán que ser pagadas por medio de giro o cheque pagable en los Estados Unidos o en efectivo inmediatamente al recibir los lotes o factura. Acuerdos especiales para hacer pagos son posibles si la cantidad apostada merece tal trato. Si esto es necesario, por favor, pídale ANTES de que se cierre la subasta, no después.

7. Tarjetas de crédito; BankAmericard, Mastercharge o American Express, se pueden usar para hacer pagos, pero el apostador tiene que pagar el servicio de cargos facturados a nosotros por esas compañías en tales transacciones (3% en BankAmericard, 4% en Master-Charge y 5% en American Express). Nuestros clientes fuera de los Estados Unidos además pueden pagar por giros internacionales de bancos ú otra forma previa y mutuamente acordada antes de cerrar la subasta.

8. Cargos de seguro o certificación de los envíos se le agregarán a todas las facturas. Apostadores deben de indicarnos si existen instrucciones especiales de despacho. Apostadores fuera de los Estados Unidos pagarán el cargo de 1% del valor total para cubrir parcialmente los gastos de seguro y nuestra compañía de seguros sea responsable por cualquier perdida.

9. No es aplicable a nuestros clientes en el extranjero.

10. Las ventas en los remates no son ventas aprobadas por el cliente cuando él recibe la mercadería, sino que cuando el cliente somete su apuesta, él entra en un acuerdo para comprar la mercadería. Cuando el cliente apuesta, él indica que está de acuerdo con los términos de venta de este remate. Todos los lotes han sido descritos por expertos en la materia; si algún error ha sido cometido por ellos, nosotros estaremos complacidos en corregirlo. En igual forma, usted se hace responsable de cualquier error cometido por su

AUKTIONS-BEDINGUNGEN

1. Dies ist eine Versandauktion. Alle Gebote müssen uns bei Auktionschluss, Donnerstag 10. August 1979 - 18:00 Uhr Ortszeit erreicht haben. Das jeweilige Los wird dem am höchsten Bietenden zugeschlagen. Das Höchstgebot für ein Los kann auf einen niedrigeren Betrag herabgesetzt werden (siehe 2. Absatz). Es dürfte einleuchtend sein, daß auf diese Weise der Bietende ein großzügiges Gebot macht, wenn er den (die) gewünschten Posten bekommen möchte.

2. Bedingungen zum Preisnachlaß: (a) Kein Preisnachlaß erfolgt an Geboten von \$10.00 und darunter. (b) An Geboten \$10.01 & höher - das Höchstgebot wird auf 10% über dem 2. höchsten Gebot herabgesetzt; z.B. wenn Sie für Los #100 \$70.00 bieten und das 2. höchste Gebot \$50.00 beträgt, so werden Sie das Los für \$55.00 (oder \$50.00 + 10%) erhalten. Jedoch, wenn Sie \$70.00 bieten und das 2. höchste Gebot \$65.00 beträgt wird kein Nachlaß gewährt, da 10% über dem 2. Gebot \$71.50 ist. Wenn Nachlaß gewährt wird, wird der Betrag zum nächsten halben Dollar aufgerundet.

3. Ein Voranschlag ist für die meisten Posten gegeben. Diese Voranschläge bezeichnen einfach den vom Eigentümer eingeschätzten Wert, oder unsere berufsmäßige Ansicht über den Wert des jeweiligen Postens. Dies sind nur Vorschläge & Sie können höher oder niedriger bieten, ganz nach Ihrem Belieben. Um es besser zu (er)klären, lesen Sie bitte "Anmerkungen für Gebote". Wir empfehlen, wenn Sie den Posten wirklich möchten, sollten Sie dicht an den Voranschlag oder darüber bieten.

4. Alle Gebote sollen nach den Posten - nummern, wie im Katalog verzeichnet, gemacht werden. (Bitte vergewissern Sie sich, daß Ihre Gebote leserlich sind.) Gebote sollten nur in U.S. Währung gemacht werden. Im Falle eines gleichen Angebotes bestimmt der Poststempel.

5. Posten werden mit einer offenstehenden Rechnung an Kunden, die einen guten Kredit mit uns haben versandt. Neue Kunden müssen ausreichende Kreditempfehlungen haben oder und einschließlich 20% Anzahlung machen. Neue Kunden, die Versandt an eine Schließfachadresse wünschen müssen auch Ihre Heimat- oder Büroadresse angeben. Kunden, die noch keinen Kredit bei uns eingerichtet haben, bekommen eine Warenrechnung für Ihre erfolgreichen Gebote zugesandt. Die Posten werden nach Erhalt der Zahlung versandt.

6. Alle erfolgreichen Gebote müssen sofort nach Erhalt in U.S. Währung beglichen werden. Dies ist sehr wichtig, so daß Konsignatoren ausgezahlt werden können. Spezielle Vereinbarungen zur Zahlung sind möglich, wenn der Betrag eine solche Behandlung rechtfertigt. Wenn das notwendig ist, bitte ersuchen Sie darum VOR der Auktion, nicht danach.

7. BankAmericard, MasterCharge oder American Express können zur Zahlung verwendet werden, vorausgesetzt der Kunde ist einverstanden die Servicekosten, die uns unsere Bank bei einem solchen Geschäft verrechnet (3% bei BankAmericard, 4% bei MasterCharge & 5% bei American Express) zu tragen. Ausländische Kunden werden gebeten Ihre Zahlungen durch eine internationale Bank, mit Zahlkarte oder Tratte zahlbar in New York zu begleichen. Kunden die mit einem an eine ausländische Bank gezogenen Wechsel zahlen, möchten bitte US.\$3.00 dazurechnen, da dies die Mindestkosten sind, die uns von unserer Bank verrechnet werden.

8. Porto & Versicherung oder Anmeldegebühren werden bei allen Rechnungen dazugerechnet. Ausländischen Kunden wird 1% vom Gesamtwert verrechnet, um die Versicherungskosten teilweise zu decken und unsere Versicherung wird für etwaige Verluste haftbar sein. Ausländische Kunden sollten uns mitteilen, wenn spezielle Versandtinstruktionen von Nöten sind.

9. 5% Verkaufssteuer wird bei allen Verkäufen an Bewohner des Staates Texas verrechnet, ausgenommen Händler.

10. Auktionsverkäufe sind keine Bestätigungsverkäufe. Bei Einreichung von Geboten erklären Sie sich mit den Verkaufsbestimmungen einverstanden. Die Posten sind von Experten beschrieben, irgend welche Fehler, die Ihnen unterlaufen sind werden gerne berichtet. Gleichfalls ist man für die Fehler, die man macht verantwortlich. Rückgaben können nur mit unserer geschriebenen Bestätigung gemacht werden; Gesuche müssen innerhalb von zehn (10) Tagen, nach versandt der Ware gemacht werden.

A WORD ABOUT GRADING: Lots 964 - 969 feature Mexican Emergency coinage struck during the War of Independance. Those coins were struck under very erude minting procedures and as a result they can not be compared with regular issue Eight Reales. In fact there are times when some of the coins might be Uncirculated or About Uncirculated yet the untrained eye may feel that the coins can only be graded as Fine or even Very Good. In order to avoid differences in opinion, we omitted the grade on some of the lots and have featured photographs which might be the best way for the collector to determine the grade according to his own criteria. Our estimates are based simply on our own buying and selling prices experience.

1056 -2 PESOS "ATLIXTAC" 1914, RA-218, GB-146.5, V-647. "KING OF MEXICAN RARITIES", with these words our firm offers a coin that at times has been proclaimed "UNIQUE". Because of our firm's more than active involvement in Mexican numismatics, we have been chosen to auction the "ATLIXTAC" 2 Pesos coin of 1914, struck during the Mexican Revolution in the state of Guerrero.

Besides the glamour attached to all varieties described by numismatic scribes, it is well to dwell a moment on the historic significance and event that gave birth to our collector's treasure. Mexico's coinage has always been aptly publicized by us as "its windows to the world". Well, here now comes a coin that vividly portrays the magnificent struggle of the poor peasant to bring democracy to his primitive existence. The engraver of our coin presents his case rather well when he inscribed the coin's reverse legend to read "REFORMA, LIBERTAD, JUSTICIA Y LEY" (Reform, Liberty, Justice and Law).

As stated above the word "UNIQUE" has long been attached to our coin. Of course, with our offering we now have tangible proof of the existence of a second specimen. The story connected to our acquisition of this coin has been carried by previous news releases. Suffice it to say that our consignor decided on our firm because of our long and varied experience in the field of auctions. The coin will grade XF (Extra Fine) and has been estimated to sell between \$15,000-\$25,000. There are no previous sales records known for this piece and the estimate is justified by comparisons with prices realized by other comparable Mexican rarities. Many examples could be cited — we will list three recent ones, all from the June 1979 auction of Superior Stamp and Coin Company, Inc. of California:

Lot 3432	-Guerrero, Silver 50¢ 1915	\$4,000-5,000
Lot 3463	-Suriana, 2 Pesos 1915, VF-XF.	25,000-Up
Lot 3479	-Jalisco, 1 Peso, Copper	10,000-Up

Before we agreed to the owner's estimate, our firm obtained verbal opinions particularly from Mexican coin dealers, and found that the consensus of "extreme rarity" was shared by all with the price range being of secondary importance. All had ready customer want lists to fill. One of Mexico's leading coin dealers, Mr. Moises Verjovsky, stated, "this piece is in fact rarer than the Zacatecas 'Concepcion del Oro Peso' " (listed in Neil S. Utberg's book The Coins of the Mexican Revolution 1910-1917, as "ZAC-1" and listed by us as "RA-657"). Mr. Verjovsky also compared our coin to the "Plan de Ayala", Morelos 1916 Copper 1 Peso for comparable rarity (listed by Guthrie & Bothamley as "GB-286" and by us as "RA-476" in our checklist). He firmly disagrees with the qualifications of the piece as a "PATTERN" as indicated by some publications. It is his opinion (and also ours) that this coin is so RARE that someone chose to call it a "PATTERN", and the description just entrenched itself in the press. Of further interest, Mr. Verjovsky stated that, "to my personal knowledge no specimen exists in the Banco de Mexico Collection".

In offering this piece we would like to note that the popularity of Mexican coins is not only growing in Mexico and the United States, but also very much so abroad. We can only envision a steady growth for coins from Mexico, and attribute it to two main factors: handsome numismatic coins which were genuinely expected to circulate as legal tender and secondly, the expectations of further improvements in the economy and stability of Mexico.

With the advent of so many outstanding collections coming to the market and our increased offering of auctions and fixed-price catalogues, the barometer for future price gains looks increasingly assured, which of course is good news for us and of immense importance to the collector fraternity. \$15,000-25,000

Grading Mexico Revolutionary Coinage As a note to the collector that is not knowledgeable with the minting procedures used in this period of time in Mexico's history, we offer the following information: More often than not, most coins of this era can only be described as "crude". Minting was accomplished under harsh conditions and at times while under gunfire! As a result, the final product does not compare to what normally is considered a mint issue. Grading must be accomplished by normal means, using criteria of wear and circulation defects, with consideration of the overall appearance of the coin into account.

Perhaps there is no other medium more appropriate than that in which the Swiss people have conveyed to the world their competitive spirit by issuing these commemorative medals, truly masterfully engraved and portraying undoubtedly the most beautiful designs ever. For hundreds of years, the "cantons" which are now united, fought against each other; but whenever a foreign power attempted to invade, they stood together, and finally formed a confederation in 1848. However, long before this, medals were being engraved or struck by the different cantons to reward the marksmen.

To complement the beautiful designs, there are medals of all sizes and shapes and of various metal compositions, some in aluminum, some in tin, lead, bronze, white metal, silver and gold. Every medal is a sight to behold, each telling its own story and yet each following the same design patterns, as if to complement each other. So symbolic are these medals of the Swiss culture, that today the national strength relies on every young man over 20 being issued his own army rifle.

Medals are beautifully designed miniature monuments portraying the history of nations. Collect them — you will enjoy them!
